

DIAMOND BACK GUTTER COVERS

"strike back against leaves"

Tiny Hole Black

Product Specifications:

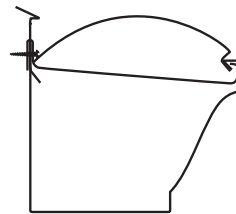

- 24—Gauge Steel
- Finish: Black Powder Coated Steel
- Warranty: Lifetime Material Warranty

Industry Summary: Diamond Back's Tiny Hole product is ideal for ALL homes. The Tiny Hole design keeps most debris out of the guttering. Tiny Hole protects your guttering from Maple Seeds, Oak Tassels and Small Debris. Excellent for all roofs, including: Slate, Shake, Flat, Tile, and Metal. Tiny Hole "SCREW EDGE" design can be installed under the first row of roofing. Available in "Z" Bend", "Screw Edge" and "Standard".

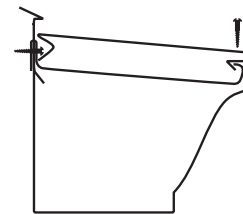

Conclusion: Outperforms most products and is a great value.
